Blast Residue Label
Order Process
July 2020
Design/Environmental & MoDOT Print Shop

In order to save cost we have developed an internal process in conjunction with the MoDOT print shop for printing "**Blast Residue**" labels. Please utilize the following steps as shown below:

1) Determine amout of labels required.

2) Utilizing an electronic payment card, order that number of blank labels from the supplier, **Avery**, at this link: https://www.avery.com/industrial/products/labels/60504 The blank labels can be ordered in 50 and 500 box quantities.

3) Request Avery to ship blank labels to the following:

   MoDOT Print Shop
   Attention: Shaun Schmitz
   105 W. Capitol Ave.
   Jefferson City, Mo 65101

4) Send Shaun Schmitz (Shaun.Schmitz@modot.mo.gov) an email stating labels were ordered from Avery and will be shipped to him for printing blast residue labels. Include name and contact information. When labels are completed the print shop will contact you.
